Policy Against Bullying

Purpose

The Pensacola State College Kids College believes that all Kids College students, instructors, and assistants have a right to a safe and healthy learning environment. All members of the Kids College program have an obligation to promote mutual respect, tolerance and acceptance. All participants are expected to follow the [PSC Code of Student Conduct](#) policies found on our website.

Definition

Bullying is a form of bias-based harassment/intimidation that includes intentional, repeated, hurtful acts (physical, verbal, written) committed by one or more persons towards another person or persons. If not addressed, bullying can lead to the creation of a hostile, offensive or intimidating Kids College environment.

The behaviors include but are not limited to:

- Physical: physical violence, stalking, threats, aggressive or meaning gestures, exclusion from peer groups which is intended to humiliate or isolate the target (relational bullying)
- Verbal: taunts, teasing, derogatory language, derogatory jokes, name calling, slurs, and spreading rumors
- Written: Hand or electronically written material containing comments or stereotypes that are transmitted via internet, social messaging sites, blogs, instant message if received. This generally constitutes cyberbullying.

Reporting Procedures

- The targeted participant, parent/guardian of a participant or other participants in the program (bystanders), or any Kids College staff who believe that bullying has occurred should report the incident to the Kids College Director.
- The Kids College Director should investigate by interviewing all parties separately.
- The parents of all involved participants will be notified.
- If it is determined that bullying has occurred, the child who bullied others is to be subject to consequences per Kids College behavioral policy plan.
- The Kids College Director will follow up to see that the offending conduct has stopped.
- All participants involved in a bullying situation should be notified that retaliation against anyone who makes a report will not be tolerated.

Volunteer Opportunity for Teens

Each Kids College teacher is assigned 1-2 teacher's assistants in their classroom. Chain Reaction, a local teen leadership organization, recruits, screens and trains high school students (9th-12th) to assist our program. If you have a teen who is interested in volunteering with Chain Reaction, please contact info@mychainreaction.org or call 850-202-0691.

- Come to class on time, be prepared to take part in classroom activities, and complete assignments given by the teacher;
- Be prepared to have fun and work hard while learning;
- Treat your fellow students, teachers and Kids College staff with respect and consideration;

In this case, students' personal electronic devices will be returned to them upon students' departure for the day.

The device is the sole responsibility of the student.

In the event that there is a behavior/discipline problem, the following process will be applied:

1. The teacher will issue a verbal warning to the student(s). A written note will be sent to the Kids College Camp Director.
2. If the problem persists, the student(s) will then meet with the Kids College Camp Director and the teacher to discuss the problem further. The parent(s)/guardian will be notified of the problem via a phone call from the Kids College Camp Director.
3. If the problem persists, the student(s) will be dismissed from the program. Parent(s) will be notified. No refund of tuition will be processed in the event of dismissal.

Both the parent and student signatures indicate that both have read and understand the "Acceptable Behavior Standard" agreement and the discipline process. Thank you for your partnership.
